

LEAP STOCKHOLM

Local Meeting Newsletter by Pavle Heidler

Ladies, Gentlemen and Other

welcome to LEAP STOCKHOLM, the Local Meeting Newsletter by Pavle Heidler.

Local Meeting Newsletter aims at satisfying two primary functions: (1) Local Meeting Newsletter is the local administrator's way of documenting meetings. These documents function as a reminder and an informer - depending on whether you attended the meeting in question; or not. (2) Local Meeting Newsletter is to

inform you of future meetings taking place.

Local Meeting Newsletter wishes to be informing, inspiring and reader-friendly.
