

wie Kinder im Kreis
der Regen, der Wind

 strolling under the skin

communicates through water
with piezo electricity

OXYGEN
HYDROGEN
transmission

maybe it is good to
get away from the
body and controll
it, through sports
calming it.

FASCIA

YIN
YOGA
releasing
not relaxing

has it's own nervous system
consists of space
based of water tension 70 %

LIKE A SANDCASTLE

Young Babies down have fascia yet
it comes from experience with
balance

KERSTIN KUSSMAUL

TANSEGRITY MODEL

BIO TANSEGRITY
no center, working with
the inbetween space
relational - if you move
one thing the rest responds

INTEROCEPTION

more than proprioception

IMAGES, HISTORY, ... APPEARS THROUGH TOUCH

PRESSURE VIBRATING TOUCH

To get into the mind of fascia

WITH OBJECTS / BALLS / MUSIC

A HOLE IN THE
CEILING - WHERE TO
WHAT WORLD AWAITS

wind

BUCKMINSTER

+ RAIN IN LOVE

the wind doesn't blow it sucks

TÜRE
eines hohen Luftraumes

Brain fascia
instead of
muscles!

THEY WORK
TOGETHER

FIND EXPERIMENTAL
EXPERIENCE
